**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

I attend a small weekly mosaic group in a temporary building at the back of this property. Please if this DA is approved, could space be available for us to continue our creative group within the new property. We take up very little space & our group does not impact the garden centre or its customers. It is a valuable outlet for the small group of ladies that attend. Thank you in advance. Sally Crompton
