RE: DA2021/1311 - 1031 Barrenjoey Road PALM BEACH NSW 2108

We enjoy what Coast currently provides because it is appropriate for a residential area. It is a friendly cafe where people can meet for good food and coffee in a relaxed alfresco environment.

However, the proposed later trading hours will change the nature of what is provided making it inappropriate for the location.

Night time dining, combined with alcohol, and most likely music, will add significantly to the noise emanating unrestricted from what is predominantly an outdoor area.

This noise will occur in the evening when those living nearby have a right to enjoy the amenity of their properties.

I therefore object to the proposed change in trading times.

Yours sincerely,
Rodger Morton
