Mr Thomas Burns,
Town Planner,
Northern Beaches Council

This is the second part of the photos & videos on the environmental & pollution that we have referred to in our submissions.

The submissions objecting to DA 2021/2588 at 69 Evans Street, Freshwater, were sent from Unit 13 & Unit 14 67 Evans Street, Freshwater yesterday, 15/2/22.

The photos & videos were taken by my nephew, & they demonstrate to pollution & environmental issues that we have outlined. These concern the Units & the car spaces & cars. Both Units 13 & 14 would like these to be considered with our submissions.

We await your reply.

We request to have our personal details withheld.
