Terrey Hills NSW 2084

**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

The new truck entrance for Flower Power power should not be allowed on myoora Rd Terrey Hills.

Firstly it is opposite a primary school and it is a very busy road already

And the fact that they have a perfectly safe truck entrance already on Mona Vale Road should be taken into account

Bringing the trucks around the back of the site would put unnecessary pressure on Cooyong rd

Buses are also using Myoora rd to and from schools in Terrey Hills so having more truck traffic that doesn't need to be there is ridiculous
