**RE: DA2019/1478 - 1 Narrabeen Park Parade NORTH NARRABEEN NSW 2101**

The changes could be a concern for the neighbour in terms of noise and safety as well. This area is frequented by tourist and family which are looking for a nice and quiet place. Having function, parties and live music would trash the beaches around and would damage all the people living around the area. Narrabeen is a quiet place where to live, let's keep it this way.
