RE: DA2025/0739 - 267 Barrenjoey Road NEWPORT NSW 2106

re: DA2025/0739 267 Barrenjoey Road Newport. I live at 65 Queens Parade Newport. We have had a lot of storm water issues coming from 267 Barrenjoey Road Newport, which backs onto our property. I was looking at the recent DA to check the storm water plans, and although there is a download available (labelled "plans_stormwater.pdf"), it is not a storm water or hydraulic diagram. I would like to see the storm water plans relating to this application be made available.
