Objection to Re-Notification – Additional  
Information – DA2019/1478

Mr. Collier,

This submission is in regard to the proposed development at ONE Cafe, 1 Narrabeen Park Parade, North Narrabeen 2101.

Petobi Pty Ltd. has submitted an application to build a pergola on Crown land and to be able to have amplified live music outside, daily until 10pm, and until 2am on New Year's Eve. He also wants to increase the number of patrons from 50-100, and to 180 for 'special events'.

I strongly object.

I live at #9 Narrabeen Park Parade, Narrabeen. It is totally unacceptable to have amplified music outside every night of the week until 10pm in a quiet residential neighbourhood. I am not against outside live music completely. I would think that Saturdays and Sundays between 3.00 and 6.00 would be a time acceptable and enjoyed by most residents of the area and people staying at the nearby caravan park.

Also I object to: the use of Crown Land for the exclusive use of a private enterprise, the building of permanent fixtures in the public domain by a private enterprise, setting up of barriers in a public space by a private enterprise, the degradation of the environment both aesthetically and to the Norfolk Pines in particular, and to the proposed number of patrons occupying such a limited area.

I ask that you take the above objections into consideration when deciding on Petobi Pty Ltd's development application.

Thank you.  
Sanford Jaffe
