Attention: Alex Keller

I am writing this email in relation to the above DA modifications.

I live directly behind Pilu restaurant and have done for 15 years.

Over that period I have never had any issues whatsoever especially relating to noise, day or night.

The ceremonies outdoors never bother us, in fact, it brings people to the area, other than beachgoers, which creates ambience to the already delightful Freshwater setting.

All the Pilu staff are always considerate to the neighbours, in fact they go out of their way to be helpful.

It would be dreadful if these ceremonies and music were not allowed.

Kind regards

Glenda Dunn
