**RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087**

I am writing to express my deep concern and strong objection to part of proposed redevelopment of Forestville RSL. Specifically, I am alarmed by the plans to increase gambling areas and reduce family-friendly spaces.

As a valued member of the local community, I believe that the RSL should be a place for everyone, not just for gambling. It should be a hub for community gatherings, social events, and family-friendly activities.

The proposed increase in gambling areas is a step in the wrong direction. It prioritises profit over the well-being of our community. We need to focus on creating a safe and supportive environment for all residents.

I urge the council to reconsider the proposed redevelopment and prioritise the needs of the entire community. I believe a more balanced approach that includes a variety of amenities, such as recreational facilities, community spaces, and child-friendly areas, would better serve the needs of our community.

I implore you to listen to the concerns of the community and make a decision that will benefit everyone.

Thank you for your time and consideration.
