RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

To Whom it May Concern,

I am writing to express my support for the proposed residence at 521 Barrenjoey Rd Bilgola Beach.

The design is suited to the scale and vegetation of the area and residences of the level of design and sophistication in the area. Layered up the hill as it is, within the applicable constraints, and shrouded by trees, the home would be a valuable addition to the area. Fully compliant, and posing no detrimental effect, I can only see a positive outcome for the proposed dwelling.

I am very familiar with the site and surrounds and the home does not impact on the amenity or streetscape.

Sincerely,

Lucy Vader
