RE: DA2022/1510 - 9 Francis Street DEE WHY NSW 2099

I would like to offer my support and commend The Newlife Baptist Church in their bid to create / develop a multi - purpose facility including a state-of-the-art community Hall, that will allow Theatre and music productions / Lessons to be taught & delivered at a high level. As the owner of the Point Break Drama acting studio we need the use of new facilities that are both affordable, and contribute to excellence in the Performing Arts Community. These facilities will give kids & teenagers in the Dee why and wider communities the opportunity to train in wonderful facilities that will contribute to their ongoing personal development and career success.
