Subject: Attn Maxwell Duncan regarding North Harbour Marina

Hi Maxwell

I gather there is a DA in by the "old" Davis Marina for an extension of facilities which would potentially allow cruisers up to 100ft to be moored at that site. Only a few Gourlay Avenue residents have been notified and, indeed, they would be totally unaffected as they are at least 200m away and cannot even see the marina

On the other hand, residents on Lauderdale Avenue, Bolingbroke and King Avenue will have their amenity affected and, in my view, should be notified as soon as possible

There are already murmurings in the neighbourhood

cheers
