**RE: DA2020/0962 - 0 Wharves And Jetties MANLY NSW 2095**

Dear Sir/Madam,

I fundamentally disagree with this planning proposal by Hugos. I feel the new development will infringe on Manly Cove which should be left as it is. It will also increase the volume of people travelling around this side of the wharf, increasing the chance of litter being deposited in the area and in the sea.

I note that already Hugo's dumps waste water an, on occassions, customers drinks into the sea which I fear will only increase with this development.

I hope this development proposal is rejected by the Council to preserve our beautiful Manly Cove.

Many thanks

David Cutts
