RE: Mod2025/0228 - 28 Lockwood Avenue BELROSE NSW 2085

This extra modification cannot go ahead as the additional height is not in accordance to present low level residential housing.

Additional shadowing, vehicle traffic, more congestion entering the car parking area on the development site and entry to Glenrose shops Underground car Park. Local residents have fought to keep the area as a low level living area and council should consider the local residents request.
