RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093

Please note my objection to the amended DA for North Harbour Marina

I regularly walk and swim in the area and I think the 50m channel is unnecessary. If it is implemented, large motor boats will enter the channel. That will affect the peace and beauty of the area, impacting all the other users. The bay has functioned safely for decades without a wide motor yacht highway through it. Please let's keep it that way.
