Subject: Nth steyne development

I would like to object to the development at 92 north Steyne Manly this is a massive overdevelopment of a small site. The building looks objectionable and there is far too much building on this site. It will be a massive eye sore right opposite our beautiful beach. It is too high. We will end up looking like the Gold Coast. It is only a development by greedy developers who no way care about this area. I am totally opposed to this.
