RE: DA2022/0456 - 62 Myoora Road TERREY HILLS NSW 2084

Concerns over increased traffic and especially trucks in an already busy area. Safety concerns re Schools and swim school nearby. Noise from early morning deliveries. Impact on other smaller local businesses in the area. Myoora Road already has traffic build up. Mona Vale is a main arterial that often has traffic hazards. Safety concerns Terrey Hills in a fire zone and not easy to move traffic out
