RE: DA2025/1024 - 433 Pittwater Road NORTH MANLY NSW 2100

Now that a Registered Club is allowed on the Warringah Recreation Centre site it is appropriate that the usage for the new Warringah Golf Club should align with their registration. There is no change to the way the Club will operate the venue as a Registered Club to the current allowed usage as a Café/Restaurant. I fully support the proposed DA.
