**SUBJECT: DA2024/1091 - Refusal and Appeal Process**

Dear Ms. Young,

I write to you regarding the Developer's Appeal to the LEC with regard to DA2024/1091.

As the residential property most impacted by the proposed development a lengthy submission outlining my concerns and objection was made on my behalf by Bill Tulloch on 23/9/24.

Could I please ask that any communications by Council or your Lawyers with regard to the Appeal process be directed to me personally (contact details above) so I may contribute to the process and participate in any subsequent site visit (including to my property) by the LEC.

Your assistance is most appreciated.

Many thanks & regards,

Susan Logan
