Terrey Hills NSW 2094

**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

Access into and out of myoora road is a nightmare. It is in a school zone. A bus stop right next to the planned access. A new hospital being built 500 metres down the road. Workmen at the hospital park right here while the hospital is being built. It will only get worse when hospital opens and visitors are looking for free parking. I vigorously request NO access to myoora road in this development.
