Subject: TRIMMED: Davis Maria Application for extention

To Whom it may concern,

As a resident all my life and a Boat owner that is moored in North Harbour I strongly oppose this Application.

The reasons : Parking is already overflowing every Weekend . Especially in Summer.

Try to manoeuvre a Boat of 30 Meters in the Bay would be extremely difficult and probably cause damage to other Boats.

If anything spills or mishaps of any Petrol/Diesel/ etc if would be an environmental disaster.

The Bay is already busy. The noise amplifies around the Bay especially at night and a big Boat with lots of people will cause plenty of concern.
