**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

This development needs to be stopped!!! To put anymore pressure on the all ready overloaded Myoora Rd is one thing, but to have the entrance way right opposite to a Primary School is dangerous as many large trucks would use this driveway & that would put young kids at risk if anything went wrong.

This development will only cause more issues than benefits to our community, so I ask you to Deny this application
