MR Peter Cross
17 Arthur ST
Dee Why NSW 2099

RE: Mod2016/0023 - 725 Pittwater Road DEE WHY NSW 2099

The construction of the PCYC building on the site of the Council staff carpark has led to increased use of surrounding streets (including mine, particularly at the narrow McIntosh Road end) for staff parking. This has resulted in exiting Arthur St into McIntosh Rd more difficult and hazardous than before.

I sincerely hope that when the building is completed that Council staff will again be able to park free of charge in the new enlarged carpark on the site to help alleviate the abovementioned problems.

Yours faithfully

Peter Cross
