Subject: Support for DA modification-Mod2025/0424

Attn: Alex Keller

Dear Alex

I am writing as a neighbour who lives very close to Pilu restaurant at Freshwater, in support of their current modification application (Mod2025/0424)

I have no objection to the proposed changes, which I understand includes allowing amplified music during outdoor wedding ceremonies and extending indoor amplified music until 11pm.

Despite my close proximity to the venue, I have never experienced any unreasonable noise or disruption. The Pilu staff are very respectful, their guests leave quietly and they have always been approachable and responsive neighbours.

Weddings and special events have long been a part of Pilu and I fully support their request for this current modification.

Kind regards
Jenny Nathan
