RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Hello,
With this new development and along with all the other stupid ogor houses, pointless stair cases, stupid concrete pathways, the upper end of northern beaches is starting to look a lot like manly, which I no a lot of locals including me are hard against that, please stop excessive development, Avalon is going to lose its soul.
Cheers Kurtis
