AscentGeo has reviewed the architectural plans for section 4.55 modification to the approved development application (DA 2020/0470 & Mod 2021/0515) for alterations and additions at 79B Lauderdale Avenue, Fairlight (the 'Site'), as prepared by Cradle Design, Project No. 481, Sheets DA00 – DA10, Revision C, dated 31 March 2023.

The changes to the design, as presented in the S4.55 plans referenced above and outlined in Cradle Designs 'Statement of Modifications' dated June 2021 do not require any material modifications to the recommendations presented in Table 3 of our original report (AG 20172, dated 23 July 2020), or our assessment that provided the recommendations are followed, the existing site conditions and proposed development are considered to constitute an **"Acceptable"** risk to life and a **"Low"** risk to property.

We are in support of the section 4.55 modification to the approved DA.
