Attention Alex Keller

My wife, 2 daughters and I live in unit 4 of 69 Undercliff Rd, immediately adjacent to Pilu restaurant. I understand there are ongoing requirements or questions for Pilu Restaurant in response to their DA. I am not familiar with the process to date other than the request for approval to have amplified music externally within the outdoor terraces up to twice a day, between 11:00am and 1:30pm, and between 4:30pm and 7:00pm; and within indoor dining areas amplified music is proposed until 11:00pm.

I just wanted to let you know that we have no objection to the ceremonies or the music. We have lived here for four years and there has not been a single occasion when music or other noise from Pilu has been intrusive. We live at busy location with all sorts of coming and going, surf noise, social noise, music (and often shouting, laughing, etc) from picnickers and partyers in Freshwater Reserve (which is substantially more significant than any noise from Pilu), Freshwater SLSC announcements, etc. The noise from Pilu has always been either inaudible or pleasant, low-level background music typically associated with weddings. I cannot recall a single occasion when noise from Pilu was an intrusion or concern to us. The owners and staff are always polite, respectful and engaging in the community.
