**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

Re Application No DA2023/1224

Just wish to convey my concerns of the application with respect to the entry/exit access in Myoora Road.

The plan indicates this driveway is on a bend opposite the primary school. Right now this is problematic during the day particularly at school drop off and pick up times, with the build up and numbers of cars using this road. It essentially becomes a single lane for cars with cars parked each side of the road. Buses struggle with this now. Adding large trucks to this problem will only make it far worse. The distance between the roundabout at Cooyong and this driveway, the bus stop, the driveway leaving the school and the fact that with only 3 ways of getting out of the precinct with 9 schools in the area, makes this a very bad idea. This entry/exit should be on Mona Vale Road. I totally oppose this part of the application.
