RE: DA2025/0764 - 2 Anzac Avenue COLLAROY NSW 2097

Please advise why the documents pertaining to this DA have not been made available on the council DA page. I checked numerous times over several weeks following the DA being submitted around 26/6/25 but each time no documents were available. I note the DA page now claims there was a 'consultation period' between 14/7/25-11/8/25. Why is there still no DA documents for public review?
