Subject: FW: Request to withdraw Development Application DA2019/1332, DA2019/1333 & DA2019/1334 at 12A John Street, Avalon

Dear Tim,

As you are aware, Council's emails and letters sent to you advise that Development Applications DA2019/1332, DA2019/1333 & DA2019/1334 require withdrawal with partial fee refund or determination with submitted information (i.e. refused).

Council will not be accepting revised documentation or further information in relation to these development applications.

Council would expect a fresh and new subdivision and development applications to be provided at a future date once the raised planning matter **are** able to be resolved and addressed.

Further, the provided owners consent is not consistent with the requirements of the Development Application checklist.

As you have requested, and as it was your holiday period, Council will expect a response to all three (3) Request to Withdraw letters by 7 February 2020. Should a response not be received by 7 February 2020, the applications shall proceed to determination asap.

Any questions please call/email.

Kind Regards

Dear Tim,

Apologies for work advice whilst you are on holidays.

As you are aware, Council's emails with attached letter to withdraw Development Applications DA2019/1332, DA2019/1333 & DA2019/1334 raise substantial planning concerns and non-compliances with relevant planning controls and related legislation.

Given these concerns, it is expected that a fresh and new subdivision application will be required. Following approval of this application, then development applications for dwelling houses could be lodged.

Also, the provided owners consent is not consistent with the requirements of the Development Application checklist (attached and on page 2).

Any questions please call/email.

Kind Regards

Kevin

I am currently in Canada and only just received this email. At this stage we do not wish to withdraw the application but do not want it determined until we have had the opportunity to provide revised documents. Due to the fact that it is holiday period and myself and most of my consultants are on leave can you please extend our response deadline to Feb 7th.
