**RE: DA2019/1478 - 1 Narrabeen Park Parade NORTH NARRABEEN NSW 2101**

: As Residents and rate payers over 19 years, we value the unique characteristics of the Northern Beaches area.

We are extremely concerned to hear of plans for the restaurant at 1 Narrabeen Park Parade to expand into adjacent Council owned land and to request longer opening hours.

We understand it was necessary for police to be called on New Year's Eve to close down the venue at 12.30am.

We look to the council to uphold their fair and reasonable approach to restaurants in residential areas and to ensure that this application is declined.

In Church Point/ Bayview restaurants customers are requested to consider neighbours and if music is played it is done so within the venue to limit disturbance for residents. We value this sensible approach.
