**RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093**

I am STRONGLY AGAINST the channel proposed in the application from Davis Marina. It will destroy the peaceful waterway and be a danger to small watercraft and kayaks that use this area often. The thought of super yachts entering this small protected area is ridiculous. The noise that will echo through the bay from visiting yachts will not be appreciated by the local community that live around the surrounding area.
