RE: DA2020/0264 - 57 Myoora Road TERREY HILLS NSW 2084

Site is unsuitable for trucks because 1. terminus of buses including school buses 2. Only/main footpath to Public School; 3. truck access via 3 roads a. Booralie through well used shopping centre b. Cooyong designated 3 tonne limit due to horse/bike underpass of Mona Vale Rd. Entrance to Flower Power. c. Myoora which passes 2 schools + swimschool & pre-school. Bindook Crescent already noted to have dangerous egress. Saturday trade: pedestrian traffic to school oval & main oval. Neighbouring houses inconvenienced by the noise & extended hours. I do not consider this light industry.
