**I object to the Mona Vale market starting times.**

I note from reading many of the submissions that the Soy Latte, smashed avocado brigade are advocating earlier opening hours so they can go to church.

These people obviously don't live next to the market. They don't get disturbed early on Sunday mornings and are probably the ones slamming car doors, honking, parking in bus stops and parking in our drive ways. They are the problem!

**Well for all of the uninformed, the LAW that applies to this site is:**

Noise Policy for Industry and Protection of Environmental Operations (Noise Control) Regulation 2017 do not permit vehicle noise: (i) before 8 am or after 8 pm on any Saturday, Sunday or public holiday, or (ii) before 7 am or after 8 pm on any other day

So go find a proper place to have your market.
