RE: DA2021/1541 - 20 Albert Street FRESHWATER NSW 2096

Our family would love this development to proceed. We have lived in Freshwater. For 12 years. When we first moved in the village was vibrant, full of dining and shopping options. Now there are so many empty shops it's depressing. There is a Japanese restaurant a few doors up and cafes and Thai opposite so it seems logical to have more dining options in otherwise empty shops.
