RE: DA2021/1805 - 4 Alexander Street COLLAROY NSW 2097

REFERENCE - DA for 4 Alexander ST Collaroy

the development of this site is critical as an upgrade of the village of Collaroy. The Collaroy hotel was the first and this site needs to do the same so the entire village can have a new contemporary feel.

The village requires this renovation as it is falling behind the beaches precincts.

i support the development wholeheartedly as it will also provide an environmental improvement in addition to the aesthetics. thanks
