**ADVERTISING SIGNAGE PANELS FOR VEHICLE CHARGING STATIONS - 1 PARK ROAD AND 3 BUNGAN STREET, MONA VALE**

Dear Sir/Madam,

Reference is made to Council's correspondence dated 13 April 2021, regarding the abovementioned Application which was referred to Transport for NSW (TfNSW) for concurrence.

TfNSW has reviewed the development application and does not provide concurrence to the installation of advertising signage on existing Ausgrid infrastructure within the Pittwater Road reserve. The proposed advertising signage is located within close proximity to the roundabout on Pittwater Road, which is a decision-making point for motorists. There are road safety concerns that the proposed advertising may distract pedestrian and driver attention from entering and exiting traffic.

If you have any further questions please direct attention to Development Assessment Officer, Shoba Sivasubramaniam, on 0431446623 or email [development.sydney@rms.nsw.gov.au](mailto:development.sydney@rms.nsw.gov.au). I hope this has been of assistance.

Yours sincerely,
