RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I support Bayview Golf Club renovating 11 greens and building 1 green as it will greatly enhance an already magnificent facility available to the entire community. As a Golf Club that welcomes visitors both local and non local Bayview Golf Club is a great community asset, promoting inclusive and welcoming sporting and social activities. It also provides a beautiful green belt home to many varieties of flora and native fauna .
