RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

We object to the current development proposal for Robertson Rd Newport on the following grounds:

- The amended DA still doesn't meet The Newport Master Plan provisions.
- The proposed vehicle entrance on Robertson Rd seems completely out of place for this small street and stifles any hope of having a pedestrian plaza.
- Some of the height limits still exceed the DCP and LEP.
