This is the 3rd attempt of this business to remove 2 car spaces and install an outdoor bar . To be honest it is near impossible to get a parking spot at the best of times . I usually come into work at 9.00 am and our entire building is already parked out by employees that don't even work in our building and it is incredibly frustrating . I have gone to great expense to buy property in Freshwater and I don't think we can afford to loose 2 more car spaces so one restaurant can extend their trade to an outdoor bar given that they already have a large enough bar already in their premises.We cannot afford to loose more parking Yours Truly Mrs Sawyer
