RE: DA2024/0675 - 84 Mona Vale Road MONA VALE NSW 2103

As a member of the Northern Beaches Pickleball club, our club is growing at an astonishing rate. In March 2023 we had 150 members. To-date we have almost 1,000 members - now the largest pickleball club in Australia!

We need more and more venues to accommodate this growing sport. Well done PRSL club. You have obviously done your homework well and this outdoor sports initiative will be a godsend for ALL ages within our community.
