RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I am extremely against the going ahead of the proposed markets at the RSL carpark.
It is a carpark the is located in a suburban area with not much parking else where. This kind of market needs to be in a field like St Ives show ground or Rat Park like it is on a Friday!!!!!!!!!!
The noise from the Trunks and stall holders with engines, doors opening/ closing, Generators, Early customers then add if they use a PA system with music and the rest of the disruption in the area will be not suitable or welcome!!!!!!!!!!
Plus where are the Toilets???

This is proposed for a Sunday with an Early morning start, I'm not even allowed to mow my lawn or do work on the house at this proposed time!!!!!!!!!! Why should this be allowed to happen??????????????
