RE: DA2024/0374 - 142 - 146 Pitt Road NORTH CURL CURL NSW 2099

Re Traffic Issues

I would like it noted that additional residential traffic on top of the congestion presented by netball on weekends poses a safety risk. The area can cope with netball (just) or with additional residential traffic, not both. If the building is approved then I motion we reduce the netball traffic through a restriction on the number of games available.
