RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100

It saddens me that so little thought for our wildlife is taken. The effect of carving animal & plant populations into smaller & smaller pieces until they are unsustainable must stop. Surely this is a concept that can be grasped by council. This development should not be allowed to go ahead as it will obviously have a devastating affect on the local fauna & flora.
