RE: DA2022/2158 - 65 Kangaroo Street MANLY NSW 2095

Hello Olivia,

I have one question which you may be able to assist me with.

I could not find a specific plan for where waste and construction materials will be stored and how waste will be removed from the site. I understand this is a requirement of the plan. May I assume that these are via the northern side pathway and stairs from the front of 65 Kangaroo St? Could you please let me know how the owners or builders are going to manage waste removal and construction storage?

Thank you,
Alan Liddle
