NEWPORT BEACH NSW 2106

RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106

As a current member of Newport Surf Club I fully support the proposed alterations and additions to the Club house for the benefit of all members and the public. The rejection by SNPP does not take into consideration the long term benefits to the community as a whole , let alone the needs of the Surf Club to maintain efficiently run operations on the beach.
