**RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108**

This building does not fit the beautiful Palm Beach style . It's a square peg in a round hole.It should NOT BE higher than BARRENJOEY house and block the beautiful rocks and landscape visible above and should be in keeping and compliment the style of BARRENJOEY house it's neighbour and land mark of Palm Beach. I think the developer has to go back to the drawing board and put on a brand new face .
