**RE: DA2020/1167 - 9 Francis Street DEE WHY NSW 2099**

As a resident of the Northern Beaches and a frequent attendee of New Life Baptist Church at 28 Fisher Rd Dee Why, I wish to give my support for the DA2020/1167 for the following reasons:

1. Affordable housing - the part of the development that includes social housing will contribute to the Northern Beaches Council's Affordable Housing Policy and provide much needed accommodation - this design will become an example for other developments on the Northern Beaches
2. Conference/Function centre - the development once completed will increase the availability of affordable community space for local residents, businesses and community groups to hire

The development as a whole will contribute positively to the community around it and should be supported.
