RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

Hi, I fully support the application for the pickleball facility at Pittwater RSL. It is an excellent use of an existing facility.

An increase in leisure facilities to meet the demand of increasing players in the LGA is important. Further it is rare that the demand can be met without the conversion of existing facilities or the loss of green space.
