**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

Please do not allow this to go forward, I am part of a very large 1000+ group of Newport locals who all want to make Robertson Road a Pedestrian Plaza and have been very active in trying to make this happen. We really have achieved so much so far and this would totally destroy everything.

I have heard that this amended DA does not meet the NMP provisions, there are height limits that exceed the Development Control Plan and the LEP. We are all concerned that the retail shop facades won't fit in with the village feel we are after in a Pedestrian Plaza and the Bulk and Scale is way to large for this site!
